REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The terminal disclaimer filed on 11/17/2003 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 08/334251 (now US patent 6538121) has been reviewed and is accepted. The terminal disclaimer has been recorded.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

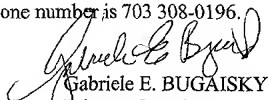

The submitted references were not considered (AA and BB). Rosen *et al.* are not the inventors listed on application serial numbers 09/913293 and 09/. As Dr. Rosen is listed as an inventor on over 1000 patent applications, finding which applications correspond to the submitted redacted copies is no simple matter. All other references have been crossed out as they are already of record.
